## TRES ISLAS ORPHANAGE FUND DONORS.

To say THANK YOU is not only a word that we want to express is also to show you that we really LOVE YOU with all our hearts because all of you show us the GOD'S HEART in your lives. We know that:

### YOU ARE OUR GUARD ANGELS

All of you are active in the Children's Home Life with the \$200.00 USDLLS., for buy food everyweek and also the School supplies, backpacks and uniforms, the medicine for the children and also for the folkloric dance lessons to the kids and work together about to teaching English to interact with the fouring tourist community during our performance every year.

In special way this year we receive from you a big blessing with the new computer room and 10 computers and a printer for the kids, also we see very big diference when every year the Spring Mission Week work a lot with the improvements to the children's Home with that right know the kids have a better life's condition

Thank you for the new palapa. Now we can continue with our dance lesson, handcrafts and several activities including the church on sundays where we pray and praise God for all your lifes and ministries not only with us but with all the Orphanage here in Mazatlán

With all the improvements that give to the children's home the kids can continue their God's plan in their lifes.

Marianela and I need to move in the next month to a new appointment in Queretaro, we miss you already and we miss our kids here in our promise lando but we are very shurly that God keep the Blessing to theme with your support and love to theme.

"¡PRAISE GOD FOR YOUR LIFES AND EXAMPLE TO US!"
